GEN. & REV. SECTT. BR. 9 JUN. 1929 G. O. SECTION.

To

The Offg. Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

I have the honor to forward herewith a copy of application received from Sub Assistant Surgeon Mr. V. Premdoss praying for the commutation of the one year and four months' leave without allowances granted to him from 19th June 1927, to furlough on half pay, and to state as follows:-

Mr. V. Premdoss was recommended by the District Medical Officer Tumkur, to be granted 6 months leave as he was subject to mental Aberration. The Sub Assistant Surgeon had previous to this, utilised all the leave at credit both privilege leave and furlough and he had even been granted 2 months and 25 days furlough in anticipation of earning and had returned to duty only on 29th April 1927. As he had already utilised more furlough than to which he was actually entitled and as there was no guarantee of his returning to duty after the expiry of his leave, the Sub Asstt: Surgeon was granted 6 months' leave without allowances in the first instance which was subsequently extended by four months. All this time he was an in-patient in the mental hospital and as he was certified fit for duty, he was, on the expiry of the leave granted to him, permitted to rejoin duty which he did on 20th October 1928. He is reported to have recovered from his ailment and is doing good work. I therefore recommend that the period of leave without allowances granted to him may, as a special case, be ordered to be treated as furlough on

Application dated the 3rd May 1929 from the Sub Assistant Surgeon Mr. V. Premdoss ~~praying for the commutation of the one~~ to the Senior Surgeon in Mysore, Bangalore.

I beg to bring to your kind notice the following few lines and hope the same will receive your favourable consideration:

I first joined service on 1st May 1921. After 6 years' service I was suddenly taken ill and on account of this illness I had to take leave and I was granted one year and four months' leave ~~and~~ without allowances from 19th June 1927 to 20th October 1928. During this period, I had to undergo lot of difficulties without pay or anything and I have gone into debts. Even the Life Insurance premium I could not pay, and this has accumulated into a big amount, which I am now paying along with my usual premiums.

I request you therefore to be so good as to treat the above period of one year and four months leave as furlough on half average salary, which if granted, will make me eligible for my increments and save me from a good deal of trouble. If this is not done ~~may~~ many of my juniors will be superdeding me in service and I will have to loose all my chances and will not get my increments even.

For which act of kindness, I shall ever feel grateful.

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore

SIR,

In reply to your letter No.G.2946/med. 288-28-2 dated the 9th September 1929 enquiring whether Sub Assistant Surgeon Mr.V.Premdoss had had the full benefit of art. 198 and 201(a) of the Mysore Service regulations, I have the honor to state that the Sub Asstt: Surgeon was not granted the full benefit of the furlough which could have been granted unconditionally on medical certificate. As already reported in my letter No.C. 2899-1 dated 7th June 1929, the Sub Assistant Surgeon was granted all the leave which he had earned and even furlough not due to the extent of 2months and 25 days, on a previous occasion.

As leave without allowances once granted cannot be retrospectively, be commuted into furlough on medical certificate (Vide art. 149 of the Mysore Service Regulations), and as the Sub Assistant Surgeon was entitled to the grant of furlough on medical certificate unconditionally, special sanction of Government has been applied for for commuting the leave.

I request the favour of early orde in the matter.

I ave the honor to be,

Sir,
